HOLIDAY

Does Carling give you more for your money?

Yes and no.

The amount of beer in a bottle of Carling Black Label is the same as in any other bottle.

But there is a difference.

Carling has fuller flavour. So it's really satisfying. And that makes it better value for your money than any other lager.

Have a bottle of Carling soon. There's no more in it. But there's a lot more to it.
